AGRIA

The Original European Potato

Renowned across Europe, Agria is a premium potato variety known for its rich flavour, creamy taste, and fluffy yet crisp texture — perfect for producing high-quality golden fries.

Cultivated in fertile soils, with the benefits of salty sea breezes, pure rainfall, and the expertise of skilled farmers, Agria delivers consistent results in both taste and appearance.

Fluffy texture, crispy finish

Deep fry small quantities in hot oil 175°C for 3.30 - 4.30 minutes. Drain on absorbent paper before serving.
